

Notes:

The red is a web-safe solid red (FF0000).
In monochrome applications the logo may be rendered in solid black or white.

The font is called "P22 Da Vinci Forward".
\$22 at fonts.com. Only the lower case is used.

When using other fonts, TAPAS is all capitals. The full name in other fonts has the first letter of each word capitalized, except for 'and'.

tempranillo advocates producers and amigos society

Tempranillo Advocates Producers and Amigos Society

Notes:

TAPAS members may use the graphics below on their web sites and printed materials. Artwork suitable for light and dark backgrounds is provided.

Members may adapt the color of the words "winery", "vineyard", or "amigo" (as appropriate) to the colors of their web site or printed matter - as long as the color specifications of the word "tapas" (see above) is maintained.

If you use the graphic on the web please link the graphic to <http://www.tapasociety.org/>
Also please include <http://www.tapasociety.org/> on printed materials.
