The fee for a TAPAS winery to participate in the event is \$200. A nonmember winery must join TAPAS to participate (\$100 membership fee). Please contact TAPAS for membership information. A winery may choose to pour on both days or only one day, but our cost basis does not permit a reduced fee for single day participation.

TAPAS encourages everyone to pour up to four wines.

Please mail your completed form and check by **July 7, 2008** to:
